

Westbourne Weekly

I'd like to start by saying a huge thankyou to the PTA and all our volunteers who kindly gave up their time to host the disco last Friday evening – it certainly added some cheer to a damp and rainy evening! The children had a great time and we are very lucky to have such a supportive school community around us.

We have had lots of exciting experiences for children in school this week! Erikson went to the Bourne Community College to enhance their learning about the STEM subjects, whilst at the other end of the school our Peake class joined forces with Tiddley-Toes nursery to enjoy a visit from Little City, which enabled them to role play in lots of different scenarios! This was partially funded by the PTA, and again we would like to thank you – it was a great way to make use of the funds everyone works so hard to raise.

Meanwhile, Bergman class went to Chichester Planetarium to enhance their learning about space – they really enjoyed the experience of understanding the night sky and getting to hold meteorites!
