Westbourne Weekly

Welcome back – I hope that you all had a restful half-term break. It has been lovely to see the children all getting stuck back into their learning and enjoying seeing their friends around school. Please don't forget our parents' evenings next week when you will have the opportunity to talk to your child's class teachers about their progress so far this year.

This week Erikson Class (Year 6) undertook their Bikeability training and we are very proud of how the children approached the course, showing their understanding of the importance of keeping safe on the roads. They are very proud of their achievements – please keep an eye out for them if you see them cycling to and from school! Year 5 also had the opportunity to experience what their training would be like next year and were very enthusiastic to learn!

We are very keen to establish a greater range of extra-curricular clubs and activities for the children and hopefully you will have seen the promotion for the Kindspace Yoga club on Wednesdays after school, and for football training run by "We Make Footballers" that will be starting on Tuesdays from the 17th November. If you have missed any of this, please do ask at the office and we will be happy to share the information with you. Please keen an eye out for further clubs which we hope to arrange for the forthcoming terms.

Congratulations to Mr Rodway!

We'd all like to see a huge congratulations to Mr Rodway who got married over the half-term break. I'm sure you will join me in wishing the new Mr and Mrs Rodway every happiness for the future.

Key Dates Coming Up

Friday 6th November	Stay and Play session for children starting Reception in September 2027
Wednesday 11th and Thursday 12th November	Parents' Evening Meetings
